

MAMARTH

EXPORT PVT. LTD.

ABOUT US

Mamarth Exports Directors involved in mining sector since 2007. Though we started as a small establishment, the joint efforts of the team have led us to the immense growth of the company. We are Export Oriented Unit at Bhilwara, Rajasthan, with a huge capacity and state-of-the-art technology for granite as well as marble processing. We have captured a huge segment of Indian Granite, Marble, Quartzite. Sand Stone Imported Marbles and Imported Granites. Right from the commencement of activities, Mamarth Exports is a reliable natural stone source filling for architects, contractors, builders, and wholesalers. We also ensure complete control of the entire production process.

Groups own the various mining lands for sustainable raw material procurement. We have mining lands consisting of more than 20 colors across the north Indian states. We are dealing right from raw material sourcing to on-time delivery. The company's core strength lies in its constant endeavor to promote new varieties of world-class products from time to time and also its ability in having the concept of customer satisfaction to understand its client's needs. We are competent to supply Natural stones in slabs, Blocks and cut to size as per customer's requirements. This strategy has helped the company in registering a steep growth in both volume and its varieties.

We earned high credibility with our clientele base as the most reliable and consistent supplier, to stay competitive, We have developed a will to build a sustainable future by taking into account the economic, environmental, and social needs of all shareholders, every step of the way.

OUR VISION

Mamarth Exports vision is to become the benchmark for the Natural Stone sector, by strengthening its leadership qualities throughout the world, maximizing growth opportunities when in another avantgarde segments of the Natural stone market. Ensuring employment opportunities to the rural community.
